REPORT.

The Managers present a Report for the Year ending March 25th, 1929.

The number of In-patients has been 130, an increase of 13, with an average stay of 15 days each. Eighty operations have been performed.

The general result is 96 cured, 18 relieved, 5 transferred, 5 died and 6 remain undischarged.

There have been 127 Out-patients involving 1,431 visits for treatment and 41 operations.

In the District 396 cases have been attended and 2,380 visits paid. There have been 25 Maternity Cases.

It has been decided to make a minimum charge of 2d. a visit for all Out-patients other than Panel Patients. All Panel Patients are required to bring their own Dressings.

The Managers gratefully acknowledge the kindness of all those who have organised Entertainments for the benefit of the Hospital and fully appreciate the amount of hard work which has been entailed.

Their thanks, too, are due to all those kind friends, particularly the children, who have collected Silver Paper during the year and who, by so doing, have raised nearly £5 0s. 0d. for the Hospital.

The Managers highly appreciate the many gifts in kind and the active help of every description received during the year.

They also desire to express their thanks to the Medical Officers who have so generously given their services, and to the Matron and Staff for the unfailing care and attention bestowed on the Patients.
